

## Country Investment Prospectus

**Category:** Information Resources

**Sub-Category:** Technical Assistance

**User:** Public Sector

**Donor:** Sustainable Energy for All (SEforAll)

**Donor Countries:** Multi-donor

**Description:**

Provides an approach to operationalizing the Country Action Agenda, possibly in a specific sector or subsector, by identifying and developing a set of implementable programs and projects, including their investment requirements, that can be presented to potential private and public investors. It is a time-bound short-to-medium term document which presents an integrated set of prioritized and sequenced investment opportunities. It integrates the technical, financial, and implementation requirements for achieving an intermediate goal and delineates the annual funding requirements for capital investments, technical assistance and capacity building over a given time period.
